

Dear Community Sponsor,

I am a proud member of the White Knoll Varsity Cheerleading Squad. I will begin an exciting year cheering on Varsity and want to do everything possible to make this the best year ever! We have very high expectations for the season ahead as we fight to earn the title of South Carolina's 5A State Cheerleading Champions! We are proud to tell you that we will be competing at approximately 8 competitions this year in addition to Region, Lower State and State Competitions that are held throughout the state of South Carolina!

On top of trying to compete for a State title of our own; our FAVORITE part about being a WHITE KNOLL VARSITY CHEERLEADER is that we also get the privilege of cheering at all White Knoll High School home and away Varsity Football games, all White Knoll High School home and away Girls and Boys Varsity Basketball games as well as numerous public appearances and community events. All of these competitions, games, public appearances and community events are just a few examples of highlights of our season and what we are looking forward to.

Our team trains 5 days per week in addition to cheering at Friday night games, competitions on Saturdays, misc. community events, charity work and a wide range of fundraising activities. Our student athletes are continuously working to build the reputation of the squad, our school, our community and Cheerleading in general. As all of our participants are middle and high school students, it is difficult to raise the kinds of funds required for our program to compete at a competitive level. The White Knoll Cheerleading program receives very limited funding and for this reason, I am asking for financial assistance through family, friends and local businesses within the community. There are many different levels of support and any amount is greatly appreciated! Please be sure to include your email address on the attached sponsorship form so that we can email your receipt directly to you!
