Dear Community Sponsor,

I am writing today to discuss how you can become part of, not only the fastest growing sport in America, but also the fastest growing sport in our community today. Women's lacrosse combines the athleticism of Soccer, Basketball, and Ice Hockey into a high scoring fast-paced game that is sweeping the country in terms of popularity. This spring, Ooltewah Lady Owls Lacrosse will be hitting the field for our SEVENTH season. The costs of continuing a program are very expensive. We need to purchase field paint, equipment, uniforms, official's fees, and tournament fees. This endeavor would be impossible to achieve without the support of our community business leaders. We have experienced great success in our first SIX seasons in large part to the great support we have received from the Ooltewah community. This is why we are respectfully asking local business leaders for any donation and support.

We are asking sponsors to please donate whatever they can. Any help is much appreciated and will assist us in reaching our goal. If you can match any of these fundraising levels that would just be an added bonus. You can make checks payable to "Ooltewah Lady Owls Lacrosse Club" and send to www.ooltewahlax.com under the donations tab. For your tax purposes our EIN is 81-3886498.
