

Texas Bay Area Lacrosse (Baylax) is a non-profit 501(c)(3) organization that offers K-12 boys and girls in the Texas bay area the opportunity to play the game of lacrosse. We are dedicated to creating a family environment that allows our athletes to develop as lacrosse players and as positive contributors to our community.

The Baylax youth and Clear Springs Chargers high school boys and girls lacrosse teams are currently seeking sponsors for the 2024 season. Your sponsorship will directly benefit the lacrosse players by offsetting the costs associated with operating a successful program by helping pay for field rentals and maintenance, equipment, referees and scholarships. Thank you for your interest and support!
