## Parent's Code of Conduct

Parent's will...

- 1.) Exemplify good sportsmanship at all times.
- 2.) Teach your child to always respect the coaches, ref and other players.
- 3.) Learn the local rules of the games and help your child understand the rules.
- 4.) Encourage your child to practice in order to improve their skill level and help them to understand the importance of good sportsmanship at all times.
- 5.) Do not ridicule or shout at your child, or other children for making mistakes.
- 6.) Set a good example. Both players and coaches are looking to you as a role model for proper behavior during both practices and games.
- 7.) Applaud good plays by your team and by members of the opposing team but refrain from coaching or directing players during the game.
- 8.) Allow the players to play, the coaches to coach, and the officials to officiate.
- 9.) Never question, complain or argue with an ref's judgment call. Be a good example for your child.
- 10.) Recognize the importance of and value of coaches who volunteer their time to teach and lead the team. Without them there would be no sports program.
- 11.) Communicate directly with the coach in a positive manner with concerns for your child. This communication must not occur during a game and must be done privately. Playing time and position is addressed in the rules and is at the coach's discretion within these rules.
- 12.) Under no circumstances should inappropriate language be used at any time during a practice or game.
- 13.) Help ensure that players are on time to every game and practice.
- 14.) Accept the results of each game. Encourage your child to be gracious in victory and turn defeat to positive experience for improvement.
