All game series are a best of three. The series will typically consist of a double header on Saturday with the second game starting 30 minutes after the first one ends. Then, if needed, a third deciding game will be played on Sunday. All three games will typically be played at the same location, but always check the league website to verify times and locations of all playoff games. The higher seeded team will be the home team for the first and third game (if necessary). The lower seeded team will be home team for the second game. The 18+ National League will reseed after each round so that the highest seeded team is always playing the lowest seeded team, etc. There is still a time limit in effect for playoff games, and no playoff game can end in a tie. Run rule is still in effect for playoff games (12 runs after 7 innings or 2-1/2 hours).
