

2024 Atlanta MABL 25+ Playoffs

All rounds are a best of three game series. The series will consist of a double header on Saturday with the second game starting 30 minutes after the first one ends. Then, if needed, a third deciding game will be played on Sunday. Some teams will play a single game on Saturday and then play a double header on Sunday due to field availability. All double headers are 7 innings, and all single games are 9 innings (unless otherwise agreed upon by both managers at the plate meeting). All three games may or may not be played at the same field. Check the league website to verify times and locations of all playoff games. The higher seeded team will be the home team for the first and third game (if necessary). The lower seeded team will be home team for the second game. There is no time limit for playoff games, and no playoff game can end in a tie. Run rule is still in effect for playoff games (12 runs after 7 innings or 2-1/2 hours for a 9-inning game and 12 runs after 5 innings or 2-1/4 hours for a 7-inning game). The 25+ National League does not re-seed after each round.
