

Weeknight League Policies

1. You can't raid any existing 35+ teams. There is free agent rules put in place to protect all teams. A player must be an MSBL participant for 3 years before being eligible for free agency. Teams are only allowed to pick up one free agent from a team per season.

2. If you participate in the other Sunday non-MSBL affiliated league, you will be required to pay the \$26 national dues on top of the regular league fees. Players participating in the Saturday Sunday MSBL won't have to pay their national dues once they pay in those leagues. No player can participate until their fees are paid in full.

3. The weeknight league is a 12-week season with all teams making playoffs.

4. A complete game in the weeknight league for loss of lights or weather-related issues is 4 complete innings.

5. Each team must be required to carry 14 players paid at full fees, before any discounts are applied.

6. Discount after 14 paid in full is a flat \$150.00 per player

7. No new players can be added after week 9 period.

8. Players must participate in 3 games to be eligible for playoffs.

9. Line up cards must include last names & numbers.

10. This is a weeknight league, not a midweek league. We try to keep Tuesdays for the 35+, but we may need to use Mondays or Thursdays if we find that we have more than 7 teams. Wednesdays & Thursdays are reserved for 18+

11. We do not tolerate cheating, and we will not hesitate to suspend or ban players from league for violating policies & league rules.

12. Any manager or player ejected from any game will have to leave complex immediately & sit 1 game.

Two ejections in a season = 2 games suspension and 3 ejections could end with the player manager being suspended for rest of the season.

13. We have a 5-man rules & disciplinary committee that handles all these issues. I am no longer involved in rules & disciplinary issues. The committee is made up of 5 managers across all leagues. Example: If an issue in the 35+ league our 35+ rep recuses himself and the other 4 leagues/age groups managers will rule on the issues.
