\*Each donor will also receive a BCC Athletics window cling.

\*\* 2.5% of your donation goes to the General Athletic Fund to assist with our program costs.

## Our Teams

### BASEBALL

Since its beginning in 2008, the BCC baseball program has climbed to the top of Region 10 and was ranked in the National Polls during the 2010, 2011, 2012 and 2013 seasons. The 2013 squad finished the regular season in second place, winning the Region 10 District Tournament, making its first appearance at the NJCAA World Series in 2013 in Enid, Oklahoma. Since baseball began, the program has had three All-Americans, and has been successful in moving the majority of its players onto play baseball at four-year schools.

### VOLLEYBALL

The BCC Dolphin Volleyball Program started in 2008. During its inaugural season, the BCC Volleyball team won the Region 10 Division II Volleyball Tournament and earned a bid to the NJCAA Division II National Volleyball Tournament in Wisconsin. In 2012, the program had two players transfer to four-year schools to continue playing.

### WOMEN'S BASKETBALL

The BCC Women's Basketball Program started in 2005. The 2011-2012 season will go down as the most successful season in school history; four awards were distributed that year: All-Region, All-Region Academic, and Third Team All-American. Since 2005, the women's basketball program has successfully sent players onto play at four-year schools.

### MEN'S BASKETBALL

The BCC Men's Basketball Program began in 1995. In 2005 and 2010, the team won the Region 10 Tournament Championship and in 2010 made the school's first appearance in the NJCAA National Tournament. Since the program started, the majority of players have moved onto four-year colleges, and nine players have moved onto the professional ranks after their college years.

## BCC Athletics Mission

At Brunswick Community College it is our goal to provide a quality academic and athletic program for all of our student athletes. Brunswick Community College competes at the Division I and II levels of the National Junior College Athletic Association (NJCAA). BCC has over 100 student-athletes that compete on four athletic teams: baseball, men's and women's basketball, and volleyball.

The BCC coaching staff is experienced and dedicated to their student-athletes and their programs, leading our teams to excellence in all areas. Our mission is to enhance academics, athletics, and personal development of all student-athletes. Our student-athletes have committed to working hard on and off the court/field. Our players continue to carry out our long-standing tradition of matriculating several players to four-year colleges each year.

As a two-year institution, we have high hopes and aspirations for all BCC student-athletes to become leaders on campus and in the community.

## Program Needs

The Dolphin Club depends on the generosity of alumni, community and businesses who support our programs. Your annual donation as a member is vital to helping cover the immediate funding needs of BCC Athletics, particularly the cost of equipment, travel and continued scholarships.

## Ways to Give

### Direct Donations

The easiest way is to give directly. You may make donations by check, cash, or credit card by filling out the information in this brochure or call the Athletic Department at 910-755-7321.

### Matching Gifts

Many employers sponsor matching gift programs and the Athletic Department welcomes this opportunity to multiply your gift. Please check your company's matching gift policy.

Your commitment  
and support to  
Dolphin Athletics  
helps to ensure  
the success of  
our BCC student  
athletes for  
years to come.
