

General Information

Family Commitment – The Hendersonville Royals is a parent-run and all-volunteer organization. The program can only function with each family being committed to the many responsibilities that come with running an organization. We ask that each family volunteer during the season in some capacity.

Set-up / Tear-down – We rent our gym space for home games and practices. As part of that rental agreement, we are responsible for tearing down and cleaning up after each game. This includes sweeping the entire gym floor, picking up all trash from the floor, sweeping under all bleachers, and picking up trash from the bathrooms. We ask that all families assist in keeping trash off the floor and cleaning up spills. Please plan to stay a few minutes after each home game to help in any way you can.

Schedule – We usually schedule approximately 25-30 regular season games depending upon each individual team's availability and schedule.

Tournaments – The basketball teams participate in 2-4 local tournaments during the year. Each tournament is a few days in length. We will communicate our specific game schedule as soon as it becomes available to us.

National Tournament – The High School basketball team participates in a week-long national tournament which is usually the 2nd week in March. Player's fees and costs are separate and in addition to the beginning of the year player's fee.

FEE STRUCTURE 2019-20
