- 1 My child has my permission to participate in the St. Pancras C.Y.O. Volleyball program. I agree to pay the registration fee required by the organization specified on the rear of this form.
- 2 I understand a uniform is included in the registration fee. The uniform is to be worn for two consecutive seasons and that a uniform is not provided each season by St. Pancras C.Y.O. I understand that no child is permitted to participate in a C.Y.O. sponsored volleyball game without an authorized uniform.
- 3 If my child is injured while playing the sport, I understand C.Y.O. insurance can only be used as secondary coverage.
- 4 I realize that if my child quits on her own accord or is asked to leave due to absenteeism, unsportsmanlike conduct or actions contrary to the principles of the Catholic Youth Organization, there will be no refund of the registration fee.
- 5 I understand that all C.Y.O. athletes and family members are required to conduct themselves appropriately at all C.Y.O. games and events, home and away, and that inappropriate behavior will not be tolerated. Inappropriate behavior by players includes, but is not limited to, players challenging or criticizing calls/rulings by referees, and players using foul or abusive language or displaying abusive conduct towards referees, coaches, teammates, opposing players, or spectators. Inappropriate behavior by fans, including parents and family members of players, includes, but is not limited to, shouting at/harassing/confronting referees verbally or otherwise ("riding the referee") at games, refusing to abide by a lawful request by a referee to behave appropriately or leave a game venue, interfering with coaches during the course of a game, and directing players what to do during a game ("sidelines coaching").
- 6 Any inappropriate behavior may result in disciplinary action by St. Pancras Catholic Youth Organization, including a warning, loss of playing time by a player, ejection from a game or event, suspension, or expulsion from St. Pancras C.Y.O. and any of its games or events, in addition to any disciplinary action that the Catholic Youth Organization (the League) may impose. *The mission of C.Y.O. is to provide opportunities for children to learn sports, make friends, and have fun in a Christian environment. "It's all about the kids".*
- 7 I understand that I am required to attend a mandatory parents meeting with my child's coach and a representative from St. Pancras C.Y.O. at the beginning of the season at a date and time to be determined by St. Pancras C.Y.O.**
