

“ZERO TOLERANCE” POLICY

ChiltonFC will hold our teams and parents to the Zero Tolerance Policy regardless of other team's sportsmanship

Parents are encouraged and welcome to attend all games and practices for your enjoyment

ChiltonFC, its coaches and referees, will be enforcing a **“ZERO TOLERANCE”** approach to poor behavior displayed by parents or spectators. Coaches and assistant coaches will be held to the same standards.

Zero Tolerance Rules:

- Nobody (not a parent, child, spectator, coach or assistant) may approach a referee or umpire to argue a call or play made.
- Actions, statements, or behavior by players, coaches, or spectators that are disrespectful to anyone present will not be tolerated. This includes comments directed towards game officials relative to their decisions. Even casual comments such as “Awe, come on, Ref!” Or “That was a foul!” will not be tolerated.
- No individual is to say anything to opposing players unless it is a positive comment.

Anyone breaking any of the above rules or creating a scene will be asked by the Coach of ChiltonFC to leave the game or field area. You agree to leave the area immediately.

Questionable calls may be made and as adults, it is our responsibility to teach the kids to react with good sportsmanship and play on. Disrespectful conduct teaches poor sportsmanship to the players. First and foremost, coaches should be teaching the players by example. Parents should take the responsibility to speak to the coach or ChiltonFC leaders if they don't like the behavior or actions of the coach.
