

# Esperanza Women's Soccer Booster Club

## Donor & Banner Sponsorship

*Your generous sponsorship of the Esperanza High School Women's Soccer program supports the athletic development of players in a highly competitive sports program with a long tradition of success and championship performance.*

*The Esperanza High School Women's Athletic Department provides only limited funding to meet basic program needs. Your sponsorship elevates the overall quality and experience of the soccer program including stipends for our highly qualified coaching staff, uniform and equipment purchases, as well as maintaining our grass playing field, and so much more! Thank you!*
