The Massanutnet boys' soccer team came back with another strong season with only seven returning players from the prior championship season. The team extended their two year unbeaten streak with a record of 16-0-2. There were a lot of doubts about this season, but the team refused to lose. Coach Len Emmons recorded his 200th career victory despite a late season mishap that left him on crutches. Emmons threw away his crutches for the Chieftains' playoff game in Winchester, but unfortunately the Chieftains were beaten 6-1 and the season came to a sudden end.

"The team overachieved due to the dedication and their desire to win," remarked Emmons. To Emmons, he was "overwhelmingly pleased with the outcome of the season." Along with the all-league representatives for Mass, Shawn Perkins was voted the best player in the Cape Ann League and Rob Ketcham led the league in scoring for the year.

SPORTS

Boys Head To Goal

Despite a shaky start, the boys soccer team had a great season ending up with fifteen wins, one loss, and one tie. The pre-season was filled with huge expectations due to the tradition of excellence in boys' soccer. But, those hopes were deflated after the opener against North Andover ended in 7-0 defeat. "Our season had many ups and downs. Losing to North Andover definitely made us realize that to be a winning team, we had to do more than just show up," commented junior Rich "Nuggy" Bilsbury, tri-captain of the club.

After getting into the season with a tie against Pentucket, the team proceeded to go undefeated for the remainder of the regular season. Highlights of the 1987 season included Males's 1-0 victory over Concord-Carlisle and their impressive 4-0 win over Hamilton-Wendham. But, despite all these successes, the boys' soccer team was awaiting with great anticipation the showdown with their rival, North Andover. With determination and much emotion, the team played hard at North Andover ending in a 0-0 stalemate. The soccer team had qualified for the state tournament but got knocked out by Belmont in the first round. In retrospect, junior All-League player and captain Mark Butterworth was satisfied with the team's performance. "The team worked very well together and once we settled down, we played our game to our capabilities. Our season was not only successful, but we had a lot of fun and the friendships we've made continue long after the season ended. There is the real reward of playing this sport for me, although winning was nice too."

The Boys' Soccer Team reigned again over the Cape Ann League with only one loss. With both a strong offense and defense this team was hard to beat. Few opponents could score on goalie Rob Bilsbury who had 11 shut-outs in the regular season tying the school record. The offensive powers had many high scoring games with hat-tricks by Jeff Sumner, Chris Robinson, and Mark Butterworth.

The team is looking forward to a strong team next year with many starters returning. Brian Lindquist, the Regan brothers, Jason Powers, Scott Farmer and Scott Demers, will all help lead Masco boys soccer to the top of the league once again.

The 1989 boys soccer team had another in a string of successful seasons for Masco soccer. With a league record of 14-1-1, and a regular season record of 15-2-3, we made it to the state tournament seeded fifth. After a bye in the first round, and a heart-stopping 2-1 victory over Bedford in five overtimes, our season ended short of our goal with a 1-0 loss to Marblehead. Highlights of the season were our second victory over North Andover to clinch the CAL championship, freshman Brad Trull's goal to beat Bedford, and the "bombfire".

With league leading scorer Doug Prouty, and keeper Stu Baur leading the league in net, the entire starting line was exceptional. Troy Anderson's broken wrist and Brian Lindquist's knee temporarily sabotaged the defense, but we pulled through and ended up with the best record of all CAL teams. Good luck to next year's team, let the tradition continue.

The Masconomet boy's soccer team enjoyed an unexpected successful season last fall. The team led by tri-captains Doug Prouty, Andy Forman, and Ryan Herlihy was expected to finish third or fourth in the Cape Ann League.

After the loss of David Bernard during double sessions, one of the five players with true varsity experience, the upcoming season appeared even more bleak. However, the great leadership of the three captains, coupled with the great dedication and enthusiasm of the underclassmen brought the team its third consecutive C.A.L. championship.

The team took great pride in its two regular season wins over North Andover. Other highpoints included 1-0 post season wins over Burlington and Danvers, and an appearance in the Division 2 North Finals. The close knit relationship of the team demonstrated how a team can win with a little bit of skill and a great deal of desire.

League all-stars included Herlihy, Jeff Mihalchik, Brad Trull, and the all-league players were Forman and Prouty. Forman made the all-eastern Mass. team and Prouty was named to the All-State and All-Scholastic teams.

Next year's team has the capability of being even more successful. The only defensive position that will change will be Mihalchik's dominant presence in the net. W.T. Bernard, Matt Pinkham, Trull, and Herlihy will supply the leadership next fall.

The boys' soccer team once again had a stellar season. The many tight games included their 2-1 win over Andover and a come from behind victory over North Reading. The team hoarded a slew of awards, as one might guess. All-Leaguers were Ryan Herlihy and Brad Trull, and the All Stars were W.T. Bernard, Palmer Reuther, and Matt Pinkham. The Coaches Award went to W.T. Bernard, and netting the team award was Ryan Herlihy. The season highlights were too many to mention, and all the hard work brought the team together like a family.

What a mean looking bunch of guys.

The J.V. boys lookin' tricky.

Ahhh, the freshman team: they may be young, but Mr. Cavallero teaches them well.

Ryan proves that he's not only the hipcheck club president, he's also a client.

When Mr. Emmine talks, people listen.

Let who is buying a funkier move here?

Matt, the one-man ball demolition squad.

Kirley nudges out the competition.

See the net.

Skill, grace, and a cute haircut. That's all it takes.

BOYS' SOCCER

The boys' soccer team finished another great season ending with an impressive 16-2-2 record and a CAL championship.

"We had a stellar season, winning the CAA and making it to states," said captain Brad Trull. "It would have been nice to win the whole thing, but we can't complain with what we accomplished."

Masco can always find pride in its soccer teams, and this year continued the legacy. Coached by Len Emmons, the team provided excitement throughout the season until the Chieftains were knocked out of the state tournament by Burlington after an entertaining, yet disappointing shootout.

Offensively, the team was led by All-League players Trull and Eric Wainwright, as well as four league All-Stars in Mark Gondos, Ryan Boden, Steve Blanchette and Sir Reuther.

Defensively, Pete McHugh and Scott Robertson were superb in net, allowing only eleven goals over the regular season. Fullbacks Aaron Ayer, Mike Patton and Tyler Bentley also pitched in on defense, along with captain Wornwright and Reuther.

McHugh, looking towards next season, puts it simply. "We will be very good. As for the CAL, we'll be in the thick of things, just like every year."

BOYS' SOCCER

Once again, the boys' soccer team upheld their winning tradition at Mountview. Led by captains Steve Blackburn, Peter McHugh, and Ben Rutherford, and coached by Lester Emerson, the team finished the season with a 23-3 record and a CAL championship.

Senior defense man Tyler Bartley wraps up the season saying, "We could have been so defeated, but as long as we won the CAL, again, I feel we had a great season."

They certainly did, consistently and aggressively defeating their opponents and they were stopped in the quarter finals of the state tournament by Malibu Catholic after an intense shootout.

Collectively, the team was led by All-League players Blackburn and Rutherford, along with All-State Tim LaF and Dawson Reese. Adam Thurman, Steve Black, and Ryan Reese also provided strong support.

Defensively, All-league goalie McHugh and goalie Scott Robertson had a great season in allowing only fourteen goals over the regular season. All-State Greg Pruthi and Rutherford, LaF, Bartley, and senior Matt Bryson were also dominant defensive forces.

Next year will undoubtedly bring another incredible season for the boys, as Bryson, Reese, and Tyson Watrous lead the Chiefs.

BOYS SOCCER

The Boys Soccer team once again proved that they are tough and can take the pressure of competition. Whether it was under the lights at North Andover on a chilly Fall evening or in the unseasonably warm weather of this Fall, the boys played the only way they know how, hard. The team finished up the season with a not too shabby 14 - 4 - 4 record.

This year's team brought together the young and the old as talent shone through from all grade levels. Coach Leonard Erimous pushes these guys to the limit, but as co-captain Matt Bryson says, "I love it, the more I sweat the better I feel!" With all this enthusiasm it's no surprise that the team worked their way to a big win against Bishop Fenwick in the first round of the state tournament and yet another impressive win against Winchester in the quarter finals before being booted out by Westbury. Co-captain Duncan Reece sums up the season as being strong, stating that "not being CAL champs was our downfall, but we made up for this in the state games, we kept the pride alive." Next year's team looks to have great potential as the whole squad is taken under the wings of Evan Reece, Mark Cipone, Cussey Bonus and Brian Sennott.

What was your most memorable moment this year?

Duncan Reece -
"When Tyson scored his goal
against Winchester."

Dave Neskey -
"At North Andover because all
the girls loved my butt."

Alan Maccarone -
"When Jon Kondracki was
knocked over by a girl on the
other team."

BOYS'SOCCER

At times it seems like you might be running more than the cross country team, but it is worth while when you go to a pasta party the night before a big game, get psyched, sleep tight, come in the next day, and beat the pants off the other team (well, not literally).

Way to kick it in there boys!

"Whose house are we going to tonight?"

"Raphael's."

"Raphael got TP."

"Papa Gino's."

Boys Soccer

Boys soccer had an incredible season this year. Every player on the team lived up to Masco's soccer standards and beyond. The talented seniors will be missed next season but have no fear, their footsteps will be followed by equally talented underclassmen. Although the boys did not win the state tournament, they left their mark, and all would agree that they played with incredible perseverance. The TP wars have ended (for now) and the season is over, but everyone is looking forward to another memorable, and toilet paper-filled season next year.

What was your secret weapon in the TP wars this year?

"I'm not sure, I was too busy winning: Masco Soccer?"
-Tim Douchette

"The white '98 Dodge MiniVan Sport 3.6 liter v6 with dual sliding doors" -Pat Killelea

"I didn't get hung up on it, I was too busy winning, Masco?"
- Joe Martinho

"We had many secret weapons. Probably the best was D. Larson's paintball gun" -Matt Wolz

2002 Boys Soccer

The Masco Boys' soccer team started off the season as slow as a turtle, but soon they came out of their shells. Both the defense and offense gave some shocking performances, as the team navigated their way to the top of the league. It was no easy task, but the boys still managed to have a fun time playing on and off the field. Both D.B. and G. Lenny played a huge role in the team's success and the wonderful season.

What will you miss most about the season?

"Playing with the same kids since I was 7. It's been a long trip, and I hope to carry the tradition past high school." - Ian Shea

"The friendships, bonds, and traditions that we created as a team. No one can take that away from us. That's what makes us such a well-rounded and funny team. I will definitely miss all my guys and G Lenny." - Jon Kinham

"Definitely playing with the seniors. I've been playing with a lot of them since my freshman year and they have always made me feel like part of the team even when I was new." - Rob Thatcher
