BATS is considered to be one of the top programs for player development in the state of Wisconsin and the Midwest. We serve as a platform for seriously committed players looking to take their game to the next level. We provide aspiring college student athletes the opportunity to advance their skills and knowledge of the game, while also participating in a highly competitive environment. Players will be coached and mentored by experienced professionals and former college standout players. Our coaching staff offers state of the art instruction in all aspects of the game. We stress the importance of all fundamentals that are essential at the collegiate level.
