

INSTRUCTIONS ON HOW TO ENTER SCORES ON THE NEW WEBSITE

To enter scores

1. Log into the HTO website <https://www.hometeamsonline.com/sportswebsites/default.asp?p=login>
2. Click on schedule and results button at the top of page
3. Click on scores for the game in question, enter the score for the game, either by inning or just totals, and click save.

The system is set up so that either team can enter the scores. So, if the other team enters the scores first, and you agree with them, then you don't need to do anything.

7. Call me if you have any questions or need help.
