

FAMILY WALL OF FAME

Beachwood Mens Softball League (est. 1954) is believed to be one of the oldest ongoing softball leagues in the nation. Historically leagues have routinely been age stratified. Recognizing a need and desire of fathers and sons to play together, the Beachwood Men Softball League in the 1980s began to accomodate these wishes. Since then the league has evolved and has integrated fathers/sons/uncles/nephews/in-laws/cousins and even grandfathers into the league and when possible onto the same team. This **FAMILY WALL OF FAME** is designed to recognize families that have had the opportunity to have **played together for 1 full year** within the league.
