Collegiate Student-Athletes
All Divisions
4 Full Scholarship D-1

The Canonsburg Lady Knights has been an organization in providing players between the ages of 10 – 17 years old the opportunity to play Fastpitch travel softball on a highest level. The Canonsburg Lady Knights have teams in the 10u, 12u, 14u & 16u, age groups. Our players are trained in the skills that college coaches are seeking in recruits. The coaches in our organization are recruited and selected for their teaching skills and dedication to the sport. They include current high school coaches and parents. Our goals are to develop a complete well rounded player, sought after by college coaches and ready to meet the challenges of college life, and the competition of the same at the college level. We would like to ask you to help support our team or organization through a donation. Depending on the level of sponsorship, we provide exposure on our website and at our events that are held throughout the year. Any donation would be appreciated.

Thank You ----- for your support.
