Dear Business Owner:

Let me take this opportunity to introduce you to the Florida Gold Fastpitch organization. Established in 2011, this organization has a proud tradition of preparing young girls to compete at the highest levels. In fact, the majority of our girls go on to play softball at the collegiate level. Getting there however requires many years of hard work and dedication as well as financial support.

Our primary revenue source is fundraising and donations received from generous individuals and businesses. Since these funds do not cover all of the necessary expenses associated with competitive softball (i.e. tournament fees, travel costs, uniforms, and equipment), families often must raise their own funds to cover the rest. Therefore, we are reaching out directly to area businesses, family and friends offering the opportunity to become a team sponsor.

Please take the time to review the various sponsorship levels below and select which one makes sense for you or your organization. All donations are greatly appreciated. We are a non-profit 501(c)(3) organization (EIN #: 20-4184310) so all of your contributions are tax deductible. Please make checks payable to "Florida Institute for Girl Fastpitch Softball, Inc."

Sincerely,

Coach John Bridges
