Grandview Wolves Softball Sponsorship Program 2025

Grandview Wolves Softball is an organization committed to the growth and achievement of athletes both on the field and in the classroom. Student athletes compete with a focus on goal setting, attitude, effort and overall player development. Team sports help students become well rounded members of the community by teaching lifelong skills in teamwork, discipline, self-confidence, leadership and sportsmanship. The program is managed by dedicated volunteers who spend countless hours supporting the team. The sponsorship program off-sets the cost of uniforms, bags, helmets, equipment, facility maintenance and improvements and everything else the minimal school budget cannot stretch to include. Student athletes are selected based upon skill level, character, positivity, etc., not financial ability. Your tax deductible donation will help ensure that the program remains viable for years to come. Thanks for your consideration!
