Jim Smith Sportsmanship Award

We lost one of the classiest guys to ever grace our league in **2010**. Jim made us all better with his attitude and his presence. When we start to complain about a call, or a team mate, or a rule we don't like, we need to pause and think about a man who had a real reason to complain and never did. He was just thankful to be out there and he always played his best and never quit smiling.

The annual award will be given to a player that exhibits sportsmanship, overall team player, supportive of his team, and exemplary effort on the field.

The recipient of the award will receive an individual plaque, have his picture displayed on the web site, and the league will donate \$25 to the American Cancer Society in Jim's name.

Members were asked to submit their nominations to Harvey Schulman, Chairman of the Jim Smith Sportsmanship Award Committee, who sent the nominations to the Board. The Board of Directors reviewed the nominations and selected a winner.

And the winner of the **2023 Jim Smith Sportsmanship Award** is ???
