Old Business:

- 10U tournament play discussion
 - Steph will contact 10U teams on TR and see who is committed by 13th.
 - Tournament bracket finalization (3 options) - will be a game time decision based on weather:
 - ♣ Keep double elimination for now as per normal.
 - ♣ Second option is single first round and double rest of way.
 - ♣ If serious weather, will move to completely to single.
 - Will decide on bracket option by Wednesday the 18th.
 - Number of games for regular season and tournament seeding:
 - ♣ If weather persists going forward, we are going to cut the last, or last two games, teams cannot choose which to drop. Only if necessary.
 - WMX will help SV and Hermitage with fields if necessary (2 fields available per night).

New Business:

- 6U tournament? Ryan suggested: One day, 3 games, all 6 teams will play one game. No score/winners or losers. Just a final season ending event. June 19 or 22 at SV? Ryan to advise.
- Trophies/medals - Ami to coordinate. Steph will send Ami team numbers.

Date for next meeting – Regular, beginning of August, Mike to communicate on TR. May need Zoom call before that for tournament discussions. Ad hoc.
