Old Business:

- Fall Ball wrap up:
 - 8U rule change – not a lot of positive feedback to exec board

 - ♣ Get 8U coaches in a group and let them hash out successes and failures
 - Prepare ahead of time, pros and cons
 - ♣ Use this feedback to modify rules for 2026.
 - 10U rule change
 - ♣ Can we remove walking a run in?
 - Need feedback like this to modify rules to keep the girls interested in the game and keep participation high.
 - ♣ Feedback meeting date TBD – keep 8U and 10U separate (1.5 hours per each on same night)
 - ♣ Tentatively Sunday 16th November – message availability to Mike on TR
 - Idea to produce a flyer for handout during all communities' registration in 2026 to make any rule changes up front and known to all
- Umpire problem – not enough umpers, and poor umpiring. Same old complaints.

New Business:

- Elections – opening for President and Treasurer
