Tuesday – January 14, 2025

Attendees: John Watson, Al Grosso, Vince Schell, Dave Bieniak (for Kelly), Larry Mikla

1. The Scene magazine is not producing what was hoped. Continue to submit our little blurb but discontinue the payment for our ad. **Completed on 1/8/25. We have not had the response we hoped and the cost of the ad has increased so much that it does not warrant going forward. We will continue to submit the small free ad.**
2. At some point should there be a draft of the pool players who want to be assigned to a team. **There will be no draft of pool players for the rest of the season. Team shortages will addressed by the present rules in place.**
3. The results of the Managers' meeting should be published. **Agreed**
4. Reinstate the team standings? **Yes**
5. How many players have NOT paid? **Managers have been sent current lists.**
6. Thoughts about raising the minimum age back to 60. **No the minimum will remain at 58 for men and 40 for women.**

Additional Items:

Game times will remain at 9.30.

There was talk about reducing the innings to 7. The decision was deferred to allow for discussion with the league members.
