

*June 26, 2025*

Dear Wade,

I want to thank you for your visit to the Anderson Snow Senior Softball League games on June 24. It was well received by our players. Your ability to answer their questions and invite them to have their picture taken with you was greatly appreciated.

I think you were amazed at the abilities of our 80+ players. We see it every game so it was refreshing to see someone else's reaction to our level of play. I want to remind you that you are eligible to play and we would be glad to have you join our league. It is a fun league.

Personally, I was very appreciative of your comments about prostate cancer. As someone who was treated for it seven years ago and is now undergoing treatment for a recurrence, it is a subject that is very dear to me. We have, probably 15 to 20, who have had it or are undergoing treatment now.

Observing you interacting with everyone, I found you to be a kind, generous and gracious man.

Again, thank you

John "Doc" Watson

Commissioner
