Rock

Newtown Rock 18U Hutchins is a college prep team with a focus on player development in each phase of the game; offense, defense and the mental game. We work with players in the recruiting process to help those with a strong desire to play collegiate softball achieve their goals. We compete in the most prestigious tournaments in the country to insure our players receive the highest level of college coach exposure possible.

Newtown Rock 18U Hutchins provides the highest level of quality training. We follow the proven Newtown Rock Fast Pitch Philosophy by employing individual, small group and full team sessions. We use former collegiate players, specialized trainers, as well as Coach Garvey and his Newtown Rock Premier Coaching Staff. Our hard working and highly skilled players are provided the opportunity to compete at highest level within the Newtown Rock organization in preparation for D1, D2 or D3 softball.

College Coaches: For more information regarding our players, please contact Ashlee Hutchins at below email.
