N

NTBSS (North Tampa Bay Senior Softball) was established fifteen years ago by the late Walter Bockmiller to play softball in the spirit of sportsmanship, fun, and fitness. Men over sixty and women over fifty are welcome to join. We are an invitational league under the auspices of the Parks, Recreation and National Resources of Pasco County. This year our membership has exceeded one hundred members. Come join us as we play on Fridays at the Heritage Park Recreation Complex on US 41 in Land o' Lakes.
