

Hello from Rancho GSL!

We are reaching out to you with hopes you will support hundreds of families with girls aged 4 to 16 in your community. Opening Day for our Spring Season is scheduled for February 7, 2026. Please take a moment to review details about Rancho GSL, and how choosing to be a sponsor will benefit your business and our community below.

Rancho GSL is a non-profit, girls softball league affiliated with the USA Softball of Southern California. Our home fields are located in Rancho San Diego, serving the surrounding communities including: Mt. Helix, La Mesa, Casa de Oro, El Cajon, Spring Valley, and Jamul.

Rancho GSL is dedicated to providing girls with a fun, safe environment embracing teamwork, sportsmanship, and leadership through the game of softball. The league is now celebrating thirteen years of play, bringing thousands of families together with a true sense of community. As a testament to the growth and strength of the league, numerous teams have consistently qualified for the state tournaments.

Your sponsorship will help improve fields (bases, mounds, and maintenance), provide necessary equipment (helmets, catcher's gear, bats and balls), and offset tournament fees in an effort to mitigate out-of-pocket expenses for girls in your community. In summary, your donation will help create memories to last a lifetime.

As a sponsor, you are not only supporting Rancho GSL and your community, you will also be providing your business with local, targeted publicity! Rancho GSL has a dedicated social media following that reaches beyond our local community with patrons who support Rancho GSL sponsors. With multiple levels of sponsorship for any size business, we hope you will make the tax-deductible commitment to support our league by becoming a sponsor.

Please reserve your sponsorship today with the following form. We thank you for your time and consideration. Please contact me with any questions you may have.

Sincerely,
