## Sponsorship Submission Form

Thank you for your generosity! For the 2024-2025 season, ninety percent (90%) of your contribution will be directly applied to the player's (family) account listed below to help cover her registration fees for the upcoming season. The remaining 10% will be applied to RCV's general budget to benefit the organization as a whole. Any sponsorships surpassing a player's (family) total tuition amount will be split 70% directly towards player's team budget and the remaining 30% to the organization as best determined by the RCV Board. Additional funds to any one team budget are capped at \$2,000 with anything exceeding that amount going to the organization to be dispersed at their discretion. Once we have received your completed form and check, we will email a copy of our 501C3 Form for your records if requested.

To mail your paperwork and check, please send to: RCV - PO Box 95 Valencia, PA 16059.
