

### 3 SCORE HALL OF FAME GUIDELINES

Guidelines for submitting a 3 Score Softball Hall of Fame (HOF) nominee:

1. Must be a member of 3 Score for at least seven years, be in good standing, been a player, coach, umpire or made major contributions to 3 Score.
2. The candidate will be considered on his playing ability, integrity, sportsmanship and character.
3. Any candidates that are not elected into the hall will remain as candidates for three years.
4. The committee has suggested that we induct 6 or 7 the first year and 2 or 3 every year thereafter.
5. Those elected to the hall that are still alive will receive a HOF ring.
6. We will give a plaque to the family of any Inductees that have passed on. We will also invite them to the induction ceremony.
7. 3 Score will have a place to display the HOF plaque with the names of the inductees. We will be able to add names each year of new members.

See Committee tab for current HOF committee members.
