Meeting called to order at 11:15 am by Eric Scharn.

### **Agenda:**

This meeting was primarily called to address issues found in the failure to follow 3Score processes and procedures in the ordering, payment, and delivery of 3Score uniforms. Areas of potential violation discussed included: not ordering uniforms on the website, not paying for uniforms on the website, payment in cash, not properly tracking and accounting for uniform ordering, payment, and delivery, and competence in performance of tasks.

A secondary issue was also discussed on possible improper behavior at the 3Score spring banquet, in which there was a potential disregard for fellow 3Score members and the spirit of the 3Score organization.

After discussion of these two topics, it was agreed to request the Ethics committee to further investigate both incidents and make a recommendation back to the 3Score board for review and approval.

Meeting adjourned at 12:15 pm
