Agenda:

1. Approval of Last Board Meeting Minutes: The meeting minutes from June 18, 2025 were approved.
2. Christmas Party: Bob Barry noted the date has been set for December 18, 2025 at the American Legion Post 7 in Clearwater (same location as 2024). The price will be the same as last year at \$20. Frank Lebano will be the DJ. Target early November to update the registration form on the website (Craig). It was recommended and agreed to include a separate raffle for softball bats (~5) that would be funded by the 3Score account and limited to 3Score players only. The 3Score player must be present at the time of the raffle to win.

Tentative dates for the 3Score spring banquet are March 12th and 19th at the Countryside Country Club. Bob to firm up a date.

3. Treasurer's report: Ann Courchane reviewed the 3Q2025 report which was approved by the board. The 3Q2025 report has been uploaded to the website.
4. Ronnie T. league status: The issue was raised that it has become unsafe for Ronnie to continue to play in the American League. The board agreed. Craig and Greg have an action to discuss with John Brown (good friend of Ronnie's), then inform Ronnie after this season, which ends at the end of October, he can no longer play in the American League for safety reasons.
5. Next Elections: Eric Scharn noted the positions of President, American League Vice President, American League Director, and National League Director are due for election in early 2026. It was agreed to target the elections for Monday January 12, 2026. Nominations for office are required 7 days in advance or by January 5th. Board to target early December to inform the league of the

upcoming elections and identify those who are interested in running for the open positions.

6. Uniform Storage: Eric Scharn raised the issue that Clearwater no longer would allow uniforms to be stored in the previous location and thus they had been moved to the equipment shed. Multiple individuals can access the equipment shed, where there was very limited access to uniform storage previously. It was agreed to add a lockable "cabinet" to the equipment shed for the uniforms to better protect them from potential theft. Craig, Bob Barry, and Doug took an action to pursue adding a lockable "cabinet" to the shed.
