

SPONSOR/DONATION OPPORTUNITIES

The Utica Lady Comets is a not-for-profit fastpitch softball organization that strives to develop elite players throughout the state of New York. Our organization currently has teams represented from the 10 & Under age group all the way up to 18 & Under. The Utica Lady Comets organization has had tremendous success with our teams throughout the Northeast. We also take tremendous pride in introducing softball and teaching the concept and love of the sport to our beginners. For more information on the program and the individual teams, please see our website at: www.uticaladycomets.com.

We support the participation of girls regardless of the family's ability to pay. Your generous donation(s) allows our program to keep fees reasonable for our players. These funds will go towards offsetting the expenses related to equipment, uniforms, tournament fees, training facility fees, etc. All questions concerning sponsorship can be directed to: bradleydcryslar@gmail.com
