“FOCUS, EFFORT & ATTITUDE”

- **CHAMPIONSHIP** teams that play at a higher level **MUST** have **PLAYER ACCOUNTABILITY**, not just coach accountability.
 - **Player MUST:**
 - **Want structure and discipline**
 - **Show up early and stay late**
 - **Not accept laziness and bad attitudes**
 - **Challenge each other**
 - **Accept roles selflessly**
- **Team chemistry is destroyed by behaviors that should be confronted but are condoned by silence.**
