Wisconsin Rage Inc. is a not-for-profit organization formed in 2012, that supports the development of girls softball players in metro Milwaukee and surrounding Southeast Wisconsin areas. In 2013, we fielded teams, and over the years have had as many as 5-6 teams some seasons, in our 10-year history. We are currently supporting over 25 girls from age 13 to 18. This past season all of our teams enjoyed a measure of success and nearly all performed at a National level tournament. For this season, we are back to fielding two teams, at 14U and 18U. There is more to just winning games on the diamond; many of our girls learn the value of volunteerism both within the Rage and outside, and many are high-honor roll students in school. We support the multi-sport athlete model as well, so our girls are well-rounded athletes.

The goal of our organization is to put a winning product on the field, while not losing sight of the bigger picture: Develop great people first, and great softball players second. We aspire to develop a highly competitive girls softball program and create an environment for these young ladies where they can not only reach their full potential as players, but also develop the self-confidence and positive self-esteem necessary to be successful in their future activities outside of softball.

As you can imagine, the personal expenses for the parents can become costly. Our girls will work hard to help offset some of their expenses through various fundraisers. Donations from area communities and businesses can help tremendously by providing the girls the opportunity to become more competitive by playing in additional tournaments and possibly traveling to play in exposure events against high caliber competition in front of collegiate coaches if their team chooses those events.

We hope that you would share the same vision for our girls as we do and that you will consider becoming an organization sponsor for our Wisconsin Rage girls during the 2024-2025 season. As an organization sponsor, your company name or logo will be displayed prominently on our web site (www.wisconsinrage.org), literature or team banners (if applicable) at events. We truly want to make this a win-win situation for both of our organizations and provide you as much benefit for your sponsorship of our girls. The attached form outlines our different sponsorship levels for you to consider and the associated benefits.

We would like to thank you in advance for your consideration and support of our young female athletes and the Wisconsin Rage fastpitch softball organization.

Sincerely,

Chris Beacom
Treasurer, Wisconsin Rage
