

Dear Prospective Sponsor(s):

The Wisconsin Scorpions fastpitch softball organization's mission is to provide a safe, healthy, and positive environment for young athletes from the South-East Wisconsin and surrounding areas to participate in a highly competitive team sport. Wisconsin Scorpions is committed to the development of each player's skills and positive self-image, achievement of player and team goals, along with the learning of life lessons while participating in competitive fastpitch softball. Through their involvement, our goal is to instill character, integrity, and self confidence in our teams and players.

Wisconsin Scorpions is dedicated to promote the positive principles associated with teamwork, sportsmanship, friendship, leadership and citizenship. We are committed to be a family of coaches, players, parents and volunteers living these principles both on and off the field while showing respect for teammates, opponents, coaches, parents and officials in both victory and defeat.

Wisconsin Scorpions Inc. is a non-profit, volunteer organization dedicated to young fastpitch athletes.

For our organization to provide the best opportunities to these young athletes we need the support of generous businesses and organizations like yours. Your donation will not only bring financial support to this team, but will allow additional advertising and exposure for your company.

**What does sponsorship mean to our athletes?** Sponsorships like yours mean we can keep the rising costs of travel sports affordable for all while continuing to provide the best experience through the tournaments we play, the facilities we can provide, the equipment we make available, etc. We also have developed an athlete internal scholarship program that helps with continuing education costs for our athletes who continue onto college.

**What does sponsorship mean to you as a sponsor?** We understand the importance of every dollar you invest and spend as an organization. We believe that your investment in our athletes and organization helps to promote and spread your corporate message to a wide audience of prospective customers and align your mission and values with our organizations. Through brand sponsorship in our facility, at our events, on our team uniforms and through social media, we commit to helping you promote your brand throughout the community and also show your commitment to the young athletes of today who we project to be our future leaders of tomorrow.

***Sponsors receive a Thank You plaque for a donation over \$250. Donations of \$500 or more will also display your logo and name on our team banners at all tournaments. Please consider a donation to our program in support of these wonderful young ladies!***

DONATION / SPONSOR FORM

**RETURN THIS PORTION WITH YOUR 2024-2025 SEASON DONATION**

Sponsor Name: \_\_\_\_\_

Address: \_\_\_\_\_
