

The Wisconsin Scorpions organization is dedicated to building a tradition of girls' fastpitch softball by fielding competitive teams that enjoy success locally and regionally. Even more importantly, our organization has a positive influence on the lives of these girls, their families and their communities. The main functions of the organization are to provide players a select program to promote fastpitch softball and elevate their level of play while encouraging leadership, sportsmanship and teamwork in the finest traditions of the game. Our teams will be competing in 7-8 competitive tournaments throughout the year, primarily in June, July & August. These tournaments include state and national level qualifiers. We help to develop the skills of these girls which they in turn bring to their high school programs across Wisconsin including: ***Campbellsport, Cedarburg, Chilton, Hartford, Lomira, Lourdes Academy, Lomira, Mauston, New Holstein, North Fond du Lac, Oakfield, Oshkosh West, Plymouth, Shawano, St. Mary Springs, Waupun and Wauwatosa East.***

The Wisconsin Scorpions organization 2020 fundraising campaign is currently underway. We are undertaking a wide array of fundraising opportunities to help defray our expenses for team jerseys, equipment, training, summer tournaments, field rentals and travel. We are a local sports organization with volunteer coaches that is funded mainly through our parents via team fees and fundraisers as well as the generous financial support from business sponsorships.

We are a non-profit, tax-exempt organization under section 501(c) (3) of the IRS code.

We kindly ask that you consider supporting our teams with one of the support levels shown on the next page. Without the support of businesses, family, and friends we would not be able to be successful. Please feel free to contact us should you have any questions. Thank you for your consideration.

Best Regards,
Ron Walters – President 920-382-6840
